### Details of Complaint

**Complaint Details** The complainant wished to remain anonymous and was actually quite angry on the phone. Below are bullets of the few notes I was able to take while listening to the complainant. When I started to ask more specific questions regarding the location of the manure piles, the complainant said that [REDACTED] had to go and abruptly hung up the phone.

The complainant stated that (b) (7)(C) the "old Simplot feedlot on Highway 19 west of Caldwell."

(b) (7)(C) was concerned about the "piles of manure covered with weeds" at the feedlot and that the "manure runs into the river when it rains."

(b) (7)(C) stated that the manure piles had been there for years and that the neighbors are getting "fed up"
